Way higher, yeah  
Yeah, yeah

All I wanna do is just explain  
Why that we feel the way we do  
What a joy to share with you  
For me to live, is Christ to die, is gain  
If anymore I need to say  
The list goes on and on all day

I'll cherish that moment for life  
And I know it might sound crazy  
It's alright, take a seat, hold tight

Time to admit  
(Time we should admit it)  
I'm so addicted, yeah  
You see, He's taken my heart  
And showed me the right way

No doubt about it  
(Doubt it, no doubt)  
See, I'm lost without it, yeah  
You see this love takes me higher  
I didn't know why then  
I found it was addictive love, yeah  
Woo, hoo, yeah

Now that we've evened up the score  
Hey, what do you mean there's so much more  
I need to tell why we adore  
The reason why I smile when I, when I wake up  
And also the reason why I dream  
Reason why I dream  
My love, my joy, my everything

And I'll cherish that moment for life  
(That moment for life)  
And I know it might sound crazy, crazy  
It's alright, take a seat, hold tight  
(Alright)

Time to admit it  
(Time we should admit it)  
I'm so addicted, yeah  
You see, He's taken my heart  
Taken my heart, y'all  
And showed me the right way  
(Showed me the right way)

There's no doubt about it, no  
(Doubt it, no doubt)  
I'm lost without it, yeah  
You see, this love takes me higher, yeah, yeah  
I didn't know why then  
You see, I found it was addictive love, hey, yeah, yeah  
So much love

(He's given to me everything I longed for)  
And everything I need  
That means I'm never alone, so glad  
(And everything I've dreamed and much more)  
Yeah, yeah, yeah, yeah, yeah, yeah  
So much more

And I'll cherish, cherish the moment, that moment for  
life  
For the rest of my life, yeah, yeah  
And I know it might sound crazy but it's not crazy, no  
I'm not crazy

I've never known anyone to love me quite the way You  
do  
And I tell You  
It's hopeless, I've finally, hopeless, noticed that  
I'm just forever addicted, forever  
Forever in love, hey, yeah, yeah, yeah

(Time we should admit it)  
Hold tight  
You see, He's taken my heart, heart, y'all  
And showed me the right way  
(Showed me the way)

There's no doubt about it  
(Doubt it, no doubt)  
Show me the right way  
See, I'm lost without it, yeah  
You see, this love takes me higher, higher  
I didn't know why then,  
I didn't know why, I didn't know I was addicted

(Time we should admit it)

Hey, yes, I am  
You see, He?s taken my heart, my heart  
And showed me the right way  
(Showed me the way)

There?s no doubt about it  
(Doubt it, no doubt)  
See, I?m lost without it, yeah  
You see, this love takes me higher, a little bit higher  
I didn?t know why then

Time to admit  
(Time we should admit it)  
I?m so addicted, yeah  
You see, He?s taken my heart  
And showed me the right way  
(Showed me the way)

There?s no doubt about it  
(Doubt it, no doubt)  
See, I?m lost without it, yeah
