[Chorus:]

Hold up the light  
Save the world from darkness  
Hold up the light  
Won't you please America

[Bebe:]

It's time for all of us  
Who claim in God we trust  
To take a stand  
Let our voice be heard  
Across the nation  
To every man

[CeCe:]

If we are the light  
It's time for all of us to fight  
For what is right  
We must work while it is day  
Before the fall of night

[Whitney:]

Voices crying, young people dying  
Lost, nowhere to run  
So I'm asking, takes sacrificing  
Time for us to come and  
Hold up the light

[Chorus]

[Whitney:]

Boys and girls  
Can't you see  
The kind of friend  
Crack can be

[Bebe:]

Voices crying, young people dying  
Lost, nowhere to run

[CeCe:]

So I'm asking, takes sacrificing

Time for us to come and  
Hold up the light

[Chorus]
