[Verse 1:]

[Bebe:]

Day by day normal reaction
You are my center attraction
Every beat my heart beats
is your soul

[Cece:]

Through hurt and harm you're my protection
The path I take is your direction
Cause I know with you I can't go wrong

Ever since that day I asked you into my heart
My world has changed so promise me you'll never part

[Chorus:]

Cause I'm lost without you

[Bebe:]

easy to see

I'm lost without you

[Bebe:]

And there's no letting go

[Cece:]

So let me be the first to say

I'm lost without you

[Cece:]

So don't ever go

[Bebe:]

Go away
'said don't ever go away

[Verse 2:]

[Cece:]

You picked me up those times I'm down
You made me laugh when there's no clown
No one else can love me like you do

[Bebe:]

Heaven knows that I proclaim
The love I feel when I hear your name
There's no substitution quite the same

Now some say I'm crazy
and I'm acting insane
but there's no life without you So I'll
State my claim

[Chorus:]

I'm lost without you

[Bebe:]
It's easy to see

I'm lost without you

[Bebe:]
So i'll just keep holding on

[Cece:]
So let me be the first to say

I'm lost without you

[Bebe:]
So don't ever go

[Cece:]
Don't ever go

[Bebe:]
Go away
na na na
Go away

Can you tell them about love

[Cece:]
Love is sweet and love is kind
Love will bring you peace of mind

[Bebe:]
And how do you know?

[Cece:]
Well I tell you so
He won't ever go

[Bebe:]
oh no he won't never
Now that's what I love about him
That's what i love about him
Cause he won't ever go away
