Verse 1:

You won't know what tomorrow brings,
In a world where few hearts survive.
All I know is the way I feel,
And if it's real, I'm gonna keep it alive.

'Cause the road is long,
There are mountains in our way,
But yet we'll climb still higher everyday.

Chorus:

Lord, lift us up where we belong,
Where the eagles fly
On a mountain high.

Lord, lift us up where we belong,
Up from the world we know,
Where the clear winds blow.

Verse 2:

Some hang on to what used to be,
Stop living your life looking behind.
'cause all we have is You right now,
All our lives are in You tonight.

But the road is still so very long,
Yes, there are mountains in our way,
But we won't worry 'cause we're achieving,
We'll keep climb still higher everyday.

Chorus

Bridge:

See, time goes by,
And sometimes, yes we'll cry
But He'll wipe every tear from our eyes
Lord lift us up, Jesus...

Chorus
