(CHORUS):

I'm every woman, it's all in me

Anything you want done, baby

I'll do it naturally

I'm every woman, it's all in me

I can read your thoughts right now

Every one from A to Z

I can cast a spell

With secrets you can't tell

Mix a special brew

Put fire inside of you

But anytime you feel

Danger or fear

Instantly I will appear, 'cause

(CHORUS)

I can sense your needs

Like rain on to the seeds

I can make a rhyme

Of confusion in your mind

And when it comes down

To some good old fashioned love

That's what I've got plenty of, 'cause

(CHORUS)

I ain't braggin' 'cause I'm the one

You just ask me ooh and it shall be done

And don't bother to compare

'Cause I've got it

I've got it, I've got it, yeah

I'm every woman (repeat and fade)
