I look in your eyes and I can see
You've loved so dangerously
You're not trusting your heart to anyone
You tell me you're gonna play it smart
We're through before we start
But I believe that we've only just begun

When it's this good, there's no saying no
I want you so, I'm ready to go

Through the fire, to the limit, to the wall
For a chance to be with you I'd gladly risk it all
Through the fire, through whatever, come what may
For a chance at loving you, I'd take it all the way
Right down to the wire, even through the fire

I know you're afraid of what you feel
You still need time to heal
And I could help if you'll only let me try
You touched me and something in me knew
What I could have with you
Now I'm not ready to kiss that dream goodbye

When it's this sweet, there's no saying no
I need you so, I'm ready to go

Through the fire, to the limit, to the wall
For a chance to be with you I'd gladly risk it all
Through the fire, through whatever, come what may
For a chance at loving you, I'd take it all the way
Right down to the wire, even through the fire

Through the test of time

Through the fire, to the limit, to the wall
For a chance to be with you I'd gladly risk it all
Through the fire, through whatever, come what may
For a chance at loving you, I'd take it all the way
Right down to the wire, even through the fire

To the wire, to the limit
(Through fire)

Through the fire, through whatever
Through the fire, to the limit
Through the fire, through whatever
(Through fire)
Through the fire, to the limit
Through the fire, through whatever

Through the fire, to the limit
Through the fire, through whatever
Through the fire, to the limit
Through the fire, through whatever
Through the fire, to the limit
