It's a losing game I play

In a dog eat dog, show biz town

I've got a dream of my own

And I carry my own weight

But still they try to drag me down

(CHORUS):

I'm a woman in a man's world

I'm a woman in a man's world

So I'm fool enough to say

That a woman's place is in the home

Working twice as hard

For the same reward as any man, yeah

(CHORUS)

For my very own

It'll make me strong if I don't give in

Cause the harder the fight

Oh, the sweeter the prize I'm sure to win
