Blue love, why'd you have to go and make me sad and  
blue

Love, you're the only one I gave it to and

You can't believe that I'm dying for you

Can't you see I've been trying for you

I just can't stop this crying for you, ooh-ooh

They say you never know love until somebody leaves  
you

You never know love until your baby leaves you

You never know love until your loves turns to

Blue love, who could ever think that you would be  
untrue

Love, I'll do anything you want me to 'cause

You can't believe that I'm trying for you

Can't you see I've been crying for you

I just can't stop this crying for you, oh you

They say you never know love until somebody leaves  
you

You never know love until your baby leaves you

You never know love until your loves turns to blue

Tony:

I been hanging on such a long, long time

Waiting for the return of your smiling face

Chaka:

And the test and the time that changed every mind  
can't you see

That my world is an unhappy place

Tony:

Oh this love in my heart is tearing me apart

Chaka:

Need ya here wit me how happy we could be

Tony:

Together

Chaka:

Us forever

They say you never know love until somebody leaves  
you  
You never know love until your baby leaves you  
You never know love until your loves turns to blue
