Remember back when we first met
I think it was November
I remember thinking that
You had the sweetest smile

Magic
You have it
Command me I'll obey
It's a fact of love

Mold me
Control me
I'm only made of clay
It's a fact of love

Sometimes I wonder what is this love
At once so delightful and frightening
Thunder and lightening love
The facts of love
Fact, fact, fact, fact of love
'Cause you're the fact of love

You got the moody broody eyes
You could be Svengali
With just one touch, I'm mesmerized
I just can't help myself

You want it, you got it
You only have to say
It's a fact of love

You make me feel like
I'm only made of clay
It's a fact of love

Sometimes I wonder what is this love
At once so delightful and frightening
Thunder and lightening love

Sometimes I wonder
About the facts of love
Love, love, love, love

I sit and wonder
About the facts of love, love, love

Sometimes I wonder what is this love
At once so delightful and frightening
Thunder and lightening love

Sometimes I wonder what is this love
At once so delightful and frightening
Thunder and lightening love

Sometimes I wonder what is this love
At once so delightful and frightening

Thunder and lightening
Love, makes me wonder
