It's you, no one else will do

I knew one day
Another true love would come my way
Only time will tell if it's right, it just can't fail
And there you were

For my quest for love is over
Now my only lover is you
No one else will do
It's true, I'm the only one for you

Love ain't so bad if you have an understanding
You know it's everlasting
You let it show with the test of time
I'll be yours, you'll be mine without a doubt

Now my quest for love is over
Now my only lover, is you
No one else will do
It's true, I'm the only one for you

I'll never love another, it's you
No one else will do
It's true, I'm the only one for you
I'll never love another

Nobody can take your place
Without a doubt
My quest for love is over
My only lover, it's you

No one else will do
It's true, I'm the only one for you

It's true, it's true, no one else will do
It's true, I'm the only one for you
It's true, no one else will do
It's true, I'm the only one for you
It's true, no one else will do
It's true, I'm the only one for you
