I can still remember, the magic I saw in your eyes, so
honest
And so tender, true love with no compromise

[Hook:]

All those things I miss, when I remenise, about you
baby... ummhmm

[Chorus:]

Why can't we go back in time, when I was your and you
where mine,
Love is special ment to be, eternally our love is one for
all time
(Unnnmmm... time... mmmmm)-this time only

How is it I see you, in every strangers face, I don't
wanna need you,
But my stubborn heart keeps going, and I just can't
erase

[Hook:]

Oh oh oh oh all these things I miss when I remenise,
about you boy,
Bet you didn't know, how much I love ya, won't mean to
show ya baby

[Chorus]

[Bridge:]

I got to hear your conversation, intellegent debating,
baby that
Would move me, they way you, make me fell so
special, how could
You forget that, you where made for me, you where
made for me

[Chorus]

Skatting, one for all time, mine, adid you know there's
a love, ummm, our love, oo la la la la la, the greatest
love, of all time, I love ya babe, the greatest love of all
time, I love ya babe
