Feeling the heat, I can't keep
The pressure off me
Hear the man say, earn your pay
Or I'll let you go today

That's not for me
I was born to be alive
Not livin' to survive
Come closer to me, baby
Make me believe it

I can own the night
Reach up and touch the light
Love still shines
I own the night
You make me come alive
I own the night

Hold back the dawn, turn it on
Love me forever like this
Baby, don't stop, make it hot
I want to taste your burn again

Take me away
To a place I've never known
Livin' right down to the bone
Get closer to me, baby
Make me believe it

I can own the night
(Own the night)
Reach up and touch the light
Love still shines
I own the night
(Own the night)
You make me come alive
(Come alive)

Own the night
(Own the night)
Reach up and touch the light
I own the night

You make me feel
I own the night

I own the night
Reach up and touch the light
Love still shines
I own the night
(Own the night)
You make me come alive
(Come alive)

I own the night
(Own the night)
Reach up and touch the light
Get closer to me, baby
Make me believe it

I can own the night
(Own the night)
Reach up and touch the light
Love still shines
I own the night
(Own the night)
You make me come alive
I'm in love

Own the night, touch the light
(Own the night)
Own the night, love still shines
Own the night, touch the light
(Own the night)
Own the night, own the night

Own the night, touch the light
(Own the night)
Own the night, love still shines
Own the night, touch the light
(Own the night)
Own the night, own the night

Own the night, touch the light
(Own the night)
Own the night, love still shines
Own the night, touch the light
(Own the night)
Own the night, own the night

Own the night, touch the light
(Own the night)
Own the night, love still shines

Own the night, touch the light
(Own the night)
Own the night
