Carmel-coated pseudo happy
Call her sticky wicked
Will she answer agin today or pray that love'll kick it?

Kick it love, see her little baby
Hey girl, she don't remember your name
Kick it love, mama gettin' busy
Got no time 4 games

Sticky wicked
She just got a pair of tickets to the opera in her mind
No applause, no encore if she dies

CHORUS

Kick it love, visions of her childhood
When her heart was gold
Sticky wicked
Tell me people what reason's good enough 2
Die before U're old? Kick it love, covenants of promise
lay before your eyes
Stick wicked will trick U, lick U, then it kicks you aside!

CHORUS

People crashing in the middle of the day

When U wake up sticky wicked don't go away
Sticky wicked
Pretty stick wicked

(Scenario of a mother who can't remember her
daughter's name)

Hey little baby, what's your name?
Oh ain't she cute?
Mama got 2 run today
I don't have time 4 games
No don't worry about me, I'm alright
I'm alright, I'm alright

Carmel-coated pseudo happy
Call her sticky wicked

People crashing in the middle of the day
When U wake up sticky wicked don't go away
If U want it, help is here today
There's a better God, don't U wanna play?

Sticky wicked, love'll kick it
Sticky wicked, love'll kick it
