Verse 1:

I'm gonna make you love
If it's the last thing I do
I'm gonna make you with
That there were two of you

Bridge 1:

I think you're gonna need help
'cause I've been saving my love
For nobody but you
I'll make you melt
Like the snow in the summer
'cause you're blowin' my mind
I know it's gonna be all better
When you touch me (oh, oh, give it to me baby)
Love can't wait, you'll never get away

Chorus:

Tearin' it up, tearin' it up
You were tearin' it up
Tearin' it up, tearin' it up
You were tearin' it up

Verse 1

Bridge 2:

Sittin' here checkin' you out
I know your moves
And all your grooves
And there's no doubt
That you give off a love vibe

That's all the way live
It's a woman's prerogative to change her mind
Hurry up, please stop wastin' time
Just give up, you'll never get away

Chaka: I'm gonna make you love me
Male: girl, I'm gonna make you love me too
Chaka: I'm gonna make you love me, boy

Chorus

I know you can make it,
Keep holdin' on because times is hard
It feels so good
To get close to you, can't give it up
Let me satisfy your life's desires
I wanna take you there
Opportunity knocks with passion and emotion

Male: I'm gonna make you love me
Chaka: ooh, say it again and again and again and
again
Male: I'm gonna make you love me if it's the last thing I
do
Chaka: I'm gonna make you wish that there were two of
you

Gonna make you love me, babe, gonna make you love
me
