Sittin' by the telephone
Waitin' for a bell to ring
I don't want another call
I just wanna hold you

I'm givin' my everything
Givin' all my time
So darlin', darlin', darlin', darlin', call
Why won't you call me boy?

I'll go anywhere you want
I'll be anything you say
All I want is to feel
Your arms around me

I'm givin' my everything
Givin' all my time
So darlin', darlin', darlin', darlin', please
Won't you

Stay with me baby, stay here for a little while?
Won't you say you'll stay here for the night?
Stay right here with me, sweet baby
Stay here for a little while, for a while

I'm sittin' at my window
And I look
Where are you?

I wonder if you even know
You belong to me
No matter where you roam
You gotta take me

I'm givin' my everything
Givin' all the time
So darlin', darlin', darlin', darlin', please
Oh, big boy

If I have to wait all night
I don't even care
I've waited all my life

Let me love you

I'm givin' my everything
Givin' all the time
So darlin', darlin', darlin', darlin' please

Stay with me baby, stay here for a little while
Won't you say you'll stay here for the night?
Stay right here with me, sweet baby
Stay here for a little while, for a while, for a while

Stay with me baby, stay here for a little while
Won't you say you'll stay here for the night?
Stay right here with me, sweet baby
Stay here for a little while, for a while

Stay with me baby, stay here for a little while
Won't you say you'll stay here for the night?
Stay right here with me, sweet baby
Stay here for a little while, for a while
Little while
