I look in your eyes and I can see  
We've loved so dangerously  
You're not trusting your heart to anyone

You tell me you're gonna play it smart  
We're through before we start  
But I believe that we've only just begun

When it's this good, there's no saying no  
I want you so, I'm ready to go

Through the fire, to the limit, to the wall  
For a chance to be with you  
I'd gladly risk it all

Through the fire, through whatever, come what may  
For a chance at loving you  
I'd take it all the way  
Right down to the wire, even through the fire

I know you're afraid of what you feel  
You still need time to heal  
And I can help if you'll only let me try

You touched me and something in me knew  
What I could have with you  
Now I'm not ready to kiss that dream goodbye

When it's this sweet, there's no saying no  
I need you so, I'm ready to go

Through the fire, to the limit, to the wall  
For a chance to be with you  
I'd gladly risk it all

Through the fire, through whatever, come what may  
For a chance at loving you  
I'd take it all the way  
Right down to the wire, even through the fire

Through the test of time

Through the fire, to the limit, to the wall  
For the chance to be with you  
I'd gladly risk it all

Through the fire, through whatever, come what may  
For a chance at loving you  
I'd take it all the way  
Right down to the wire, even through the fire

Through the fire, to the limit  
Through the fire, through whatever  
Through the fire, to the limit  
Through the fire, through whatever  
Through the fire, to the limit  
Through the fire, through whatever
