Try to see things my way
Do I have to keep on talking
Till I can't go on?

While you see it your way
Run the risk of knowing
That our love may soon be gone

We can work it out
We can work it out

Think of what you're saying
You can get it wrong
And still you think that it's alright

Think of what I'm saying
We can work it out and get it straight
Or say good night

We can work it out
We can work it out

Life is very short
And there's no time
For fussing and fighting, my friend

I have always thought
That it's a crime
So I will ask you once again

Try to see things my way
Only time will tell
If I am right or I am wrong

While you see it your way
There's a chance
That we might fall apart
Before too long

We can work it out
We can work it out

We can work it out
We can work it out
We can work it out

Try to see things my way
Only time will tell
If I am right or I am wrong

While you see it your way
There's a chance
That we may fall apart
Before too long

We can work it out
We can work it out

Think of what you're saying
You can get it wrong
And still you think that it's alright

Think of what I'm saying
We can work it out and get it straight
Or say good night

We can work it out
We can work it out
We can work it out
We can work it out
We can work it out
