After all, all I have in my mind  
Is just silence all around  
A thousand times I have tried to find  
Pieces of dreams, visions and sounds  
And then I pray for better days

Do you know how it is without anyone  
Do you know anyone?  
Don't let it go  
Never forget that when  
I think of you  
You're not alone

After all, all I have in my heart  
Are the pieces, that I found  
Shades of blue, swimming in the moon  
Counting the stars all around  
I say a prayer for better days

Do you know how it is without anyone  
Do you know anyone?  
Don't let it go  
Never forget that when  
I think of you  
You're not alone

Do you know how it is without anyone  
Do you know anyone?

Do you know how it is without anyone  
Do you know anyone?  
Don't let it go  
Never forget that when  
I think of you  
You're not alone

Do you know how it is without anyone  
Do you know anyone?  
Don't let it go  
Never forget that when  
I think of you  
You're not alone
