AtãfÂ© o anoitecer chegar
E nos envolver
Passando do azul pro azul escuro

AtãfÂ© o rosa iluminar vocãfÂª
Aqui distante eu vou chorar
Por nãfÂ³s dois

Hummm, cada beijo
Cada beijo bom
Hummm, que saudades
De te beijar
Hummm, cada beijo
Cada beijo bom
Hummm, cada beijo com sons

AgãfÂ³ra nãfÂ£o tem mais azul nenhum
SãfÂ³zinho fico com a lembrãfÂ§a sem cãfÂ´r

Hummm, cada beijo
Com um gosto bom
Hummm, cada beijo
Tem um tom
Hummm, cada beijo
Cada beijo bom
Hummm, cada beijo com som

Hummm, cada beijo
Cada beijo bom
Hummm, que saudades
De te beijar
Hummm, cada beijo
Cada beijo bom
Hummm, cada beijo com som

Translation:
Until dusk approaches
And involves us
Passing from blue to dark blue

Until the pink illuminates you
Here in the distance I will cry
For both of us

Hmmm, each kiss
Each good kiss
Hmmm, how I miss
Kissing you
Hmmm, each kiss
Each good kiss
Hmmm, each kiss with sounds

Now there not any blue left
Alone I am with a colorless memory

Hmmm, each kiss
With a good taste
Hmmm, each kiss
Has a key
Hmmm, each kiss
Each good kiss
Hmmm, each kiss with sound

Hmmm, each kiss
Each good kiss
Hmmm, how I miss
Kissing you
Hmmm, each kiss
Each good kiss
Hmmm, each kiss with sound
