"Night And Day"

Night and day, you are the one
Only you beneath the moon and under the sun
Whether near to me, or far
It's no matter, darling, where you are
I think of you night and day

Day and night, why is it so?
That this longing for you follows
Wherever I go

In the roaring traffic's boom

In the silence of my lonely room
I think of you night and day

Night and day
Under the hide of me
There's an, oh, such a hungry yearning
Burning inside of me

And this torment won't be through
Until you let me spend my life making
Love to you
Day and night, night and day
