Hey old man
Rest your head
You're breaking down inside
Armour's cracked, set to collapse
Damn you, don't you cry
I've ended lives
And ended worlds
I guess I've done it all
Fire and ice
And rage inside
How long until I fall?

Somewhere all my darkest fears
Are gathering
It's not enough to
Save the day
I can't escape my nightmares

Dreams have shown me
Who I am
A danger to myself

Trickster feared
Far from revered,
So I must fear as well
Words and laughter's
Wearing thin,
Breaking this disguise
Where do (the) Angels
Fear to tread?
How can I think to hide?

Somewhere all my darkest fears
Are gathering
It's not enough to
Save the day
I can't escape my nightmares

(Somewhere all my darkest fears
Are gathering
It's not enough to
Save the day

I can't escape my nightmares)
