It is returning through the dark
Doctor, you have met your mum.
Your song is ending, so don't cry,
When you hear him knock four times.

You're going to regenerate,
Some new man, some turns away,
No games tonight,
We fight for the fate of all mankind.

I could do so much more...

Time is returning, the earth will be burning,
The lost white point star is a trap for the Master.
The Doctor is dying, the Doctor is dying.
The Doctor is dying, the Doctor is dying.

I don't want to go...
I don't want to go...

Wilfred will be by your side,
You will always save his life.
Hold on now, not long to wait,
'Til they bring back Gallifrey.
I'll sing you to your sleep.

The Timelords returning, the earth will be burning,
The lost white point star is a trap for the Master.

The Doctor is dying, the Doctor is dying.
The Doctor is dying, the Doctor is dying.

I don't want to go...
I don't want to go...

Just one more thing before you fall,
You'll be getting your reward.
Back in time for those you know,
Martha, Donna, Jack, and Rose.

The Timelords returning, the earth will be burning,
The lost white point star is a trap for the Master.

The Timelords returning, the earth will be burning,
The lost white point star is a trap for the Master.
The Doctor is dying, the Doctor is dying.
The Doctor is dying, the Doctor is dying.
I don't want to go...
I don't want to go...

regenerate!
