[Chamillionaire]

I might pull my ice out even when all the lights-out  
Ice white as the white house or bright as a light house  
Ask the governor of Galveston and he gon' tell ya, we  
ball

Bout to change the C-Wall to the damn C and P-Wall  
All, look at the screens fall can you stunt like me? Nah  
More shoes, clothes and hoes then 4 stores in the mall  
See more legs, breast and thighs then a plate with 3  
chickens

I don't steal but you'll get stole, ya whole set of teeth  
missin'

I'ma walkin' website, internet on my damn cell

Open up my nextel, and you-you got mail

I'm to busy, damn who is he?

More throwed then a threw frisbee

Driving too fast you'll miss me

'cause my twinkies made ya too dizzy

If you see us at the Kappa, on no swangers and  
adapters

You have my permission to walk up, to me Sab and slap  
us

If I'm not in a flag ship, being jocked by bad chicks

Wearin' gucci bag clips you can give me a ass kick

Sir Daily I stunt with him

When I'm up in the Comfort Inn

With a couple of twins, wearing nothin but comfortable  
skin

Might pull my cash out, Chamillionaire's a damn grouch  
Screen recline and, lay down like a fat man on a black  
couch

I'm as throwed as a toad on a Budweiser commercial

Wise-Wise Er-Er, look don't make me hurt you

Bout to change after the Kappa, to after the Koopa

'cause when it comes to ballin', yall niggaz come after  
King Koopa

Call me King Of The Kappa, when I'm seen in ya city

My screens fall and hang down like ya grandmama's  
titties

I'm off the (HIC), oops I mean I'm off the heezie man

Could go platinum if I did a album with the Ku Klux Klan
