[Chamillionaire]

I run with niggaz that be smokin' stanky-danky on some twankies

Won't curse inside my verse, but ya misses is tryin' to blank me, hold up

No need to thank me, I'm just tryin' to get my cabbage
Better than average, Chamillion's the baddest even in Dallas, hold up

My trunk don't pop, my trunk stay locked

I got 2 glocks, and 2 15's in the back of the drop

And you can snack on a cock, if you thinkin' you Miss Thang

I grip-grain pull up on chrome, and watch ya lip-hang, hold up
