## "Best Rapper Alive"

*[Talking]*

Yeah, Uh, The King

You already know what this is:

*[Verse 1]*

I am the best rapper alive

If I ain't him the best rapper done lied

They say get money, and put that to the side

But if I do that, they gone think it's a tie

Who's sicker than I?

Look me in the eye

Ya'll fake rappers must be ready to die

Yeah, Yeah, I'll fix that. Click, Clack, Get back

Getting paid is a better feelin'

I don't wanna take the shot of penicillin

I ain't chillin, business dealin'

Look down on you. My floor is your ceiling

Solo, Unity. At your girlfriend crib tryin move the D

And the car got a super V

If a leaf fall on it, I'll shoot the tree (Yeah)

First name Hakeem, middle name money

Signature look clean

Mixtape scene, yall know I'm king

I'll put you on the screen like Sway and Shaheem

Rabbit, Rabbit, Gotta get cabbage

Mixtape savage, I rip through tablets

Crib so lavish, don't know magic

Shades just open like Go, Go Gadget

Like your readin my mind

Ya'll ain't keepin up with me and my rhyme

Make you exit like your readin a sign

I'm the hardest rapper LA Reid didn't sign

Got the balls to prove it

Venom album comin, get your exclusive

Don't try to act like your excluded

Cause your neck fit right on my nooses (Ha Ha)

Let me light it up, Let me light it up

I'm the best rapper, I swear

Let me make this clear...

He can rap and out sing ya (Uh)  
I'm the one that out think ya  
Damn, He just dropped a new single  
I'll have the industry shook with one finger  
50 got rich and he didn't even die  
Jay getting rich, he ain't needin to reply  
R. Kelly on the ground, he believin he can fly  
I'm runnin through the drought like it isn't even dry  
Amigo, me gotta get the peso  
I get mo' like Shawty Lo, they know  
I don't waive at a hater, call Magno  
Money go "Ha Ha", Play-Doh (play dough)  
Yeah, got mixtape bars  
I'm the ruler of the mixtape art  
Put 'em on sale like it's K-Mart  
All bow down to the Mixtape God
