### "Denzel Washington"

(feat. Z-Ro)

*[Intro - Chamillionaire - talking]*

Money, power and fame like - Denzel Washington, yeah  
(Hey!, hey!, hey!)

*[Female Voice]*

(Chamillitary mayne)

*[Chorus - Chamillionaire (Z-Ro) {Both}]*

Don't try to knock the hustle 'cause ya just wastin ya  
time

I'm cooler than Denzel Washington with mine

I know I'm a playa, (I know I'm a playa)

{I know I'm a money makin playa, so playa}

(Don't try to knock the hustle 'cause ya just wastin ya  
time

I'm cooler than Denzel Washington with mine)

I know I'm a playa

(I know I'm a playa)

{I know I'm playa so you haters, you're just wastin ya  
time}

*[Verse 1 - Chamillionaire]*

I keep the wallet with the wads, so I'm ridin with the  
noise

Plus the clip is fully loaded as the inside of my garage  
(cars)

Look at all my broads, if you tryin to see the stars

Find me and you gon' feel like you done found ya way  
to Mars

Keep the paper punctuated (hey!), yeah that's the new  
philosophy

A G I gotta be, on top of that like an apostrophe

Fame must of got to me (hey!), confidence is got to be

I autograph myself, write a check and make it out to me

Beggars can't be choosers (choosers), go and get a  
ruler

Chain extra long like Wilt Chamberlain's my jeweler  
(hey!)

Other known as Koopa, ain't nobody cooler

Brain is her thing then she'd love to be my tutor (hey!)  
She lovin my cologne, huh, recognize the odor  
Must've smelled money, Ben Franklin's what I told her  
(hey!)  
Pistol I'm a tote a, big swangers on my Rota  
So they talkin about my money in the city like  
promoters, hold up

*[Chorus]*

*[Verse 2 - Z-Ro (Chamillionaire) {Both}]*

I'm a thug, so my criminal record ain't clean  
(The record ain't clean, clean)  
That's why I'm paranoid around police  
(Lookin out for the police)  
I'm a superstar but I'm still street  
(You know we gonna keep it street, street)  
I got the gun under my seat, so don't agitate me  
In the blink of an e-y-e, you will become a memory,  
mayne  
I will never have my gun on safety  
'Cause I've been feelin the strangest feeling lately  
(Chasin money, you know them haters hate it)  
The 300 is cool but I want Mercedes  
It ain't nothin fraudulent about me  
Five Deuce Hoover C-R-I-P  
(And can't no woman get no money out of me)  
Unless it's Grandma, Dottie or Auntie  
I still represent S.U.C.  
(And I'm a hold it down for Chamillitary)  
When I meet up with 2Pac and Pimp C  
{And when I'm gone they gon' still remember me}

*[Chorus]*

*[Verse 3 - Chamillionaire]*

If you knew what I knew then you would know what's in  
my bank account  
And you would know why those that talk too much and  
me ain't hangin out  
Rats be runnin in traps and I ain't hangin around with  
Danger Mouse  
Walkin into Forbes, could of swore I heard my name  
announced  
Ain't talkin about no dough but wonderin why I'm so  
rude to you  
I only talk that (dollar), talk that (digit), talk that  
(numeral)  
Chill with all the gossipin, it's business as usual  
Ben Franklin passed away and I was present at the  
funeral

You breakin in my house? Dog I hope that what you ain't  
about  
I keep a Mike Vick, so I hope you good at breakin out  
Breakin in my vault? Naw, I hope this heater make you  
doubt  
I got the right to think that I'm the best because I paid  
the cost

*[Chorus]*
