*[Intro - Chamillionaire - talking]*

Log on

Chamillionaire.com

We got a all new social network

A all new social website, I'm on there, I'm active

Holla at me, chamillionaire.com baby

*[Chorus - Chamillionaire]*

Heeey, I'm livin good, couldn't be better

Grippin wood, on the leather

Lettin 'em look at my bezzle (at my bezzle)

I got my diamonds exposed

I'm a shine and I'm a glow

Got my diamonds exposed

I'm a shine and I'm a glow

Y'all know I'm in the hood gettin cheddar

Floatin just like a feather

Sittin up on propellers

Heeey, I got my diamonds exposed

I'm a shine and I'm a glow

Got my diamonds exposed

I'm a shine and I'm a glow

Y'all know I got to flo-ss

*[Break - Chamillionaire - talking]*

Hold up man, I know I was supposed to drop this

Mixtape Messiah 4 a long time ago

But ah, honestly after Pimp passed, I really didn't feel like putting it out

I was kind of chilling, on the whole music thing

A lot of people was asking me where I was at

And where I've been, what I've been up to

But really, if you listened to the album, +Ultimate

Victory+, my last, sophomore album

Then you will see, that at the end of it

I told you ahead of time, what I was going to do

I was going to take a little vacation because

I've been like grinding on this mixtape thing since 1998

Never took no break, working hard man

You could see the stress on my face

Just always dealing with rap, every single day man  
I had to take some time away from it man  
Just to get my thoughts together, come back and be  
right, you know?  
But I got a new album coming fourth quarter  
Ah, the name is "to be announced"  
Stay tuned to chamillionaire.com, I'll give you all the  
information man  
We back on, we ready to get it, know what I'm talking  
about?  
And ah, honestly man, even though I'm messing with  
boys from Texas  
After the +Won't Let You Down+ song  
I felt like I wasn't going to mess with nobody from  
Texas  
And I'm a say that because I tried to get everybody on  
the song cleared  
And I couldn't get nobody cleared  
Well almost nobody, I got Pimp cleared  
R.I.P. to him, he passed away  
But he was cleared on the record  
And I was a little bit upset because I feel like that  
record could have went a lot further than it did  
Like there was actually no video for that record  
I never got another video, because I couldn't get my  
"peers," cleared  
Wow!  
I ain't trying to point the fingers at nobody  
I'm just saying man, as fans y'all need to put the  
pressure on everybody in Texas to come with it  
Because I'm a come with it  
I know y'all be hitting me on every website I got, telling  
me I need to step it up  
So you need to do the same with everybody else man  
You know what I'm saying?  
We ain't nothing without y'all  
Chamillionaire.com, log on and let me know what the  
business is  
And if you trying to get in contact with me  
You can call me at 832-514-4730  
Yeah, I'm getting my Mike Jones on right now  
I mean there's so much that I could say  
But I ain't really want to talk y'all ear off  
On this CD, cause that's what I do and then they start  
say I'm preaching  
And you know how that go  
But I'm a give y'all a lot of information on  
chamillionaire.com man  
Y'all log on, I'll let you know what the business is

*[Chorus - Chamillionaire]*

Heeey, I'm livin good, couldn't be better  
Grippin wood, on the leather  
Lettin 'em look at my bezzle (at my bezzle)  
I got my diamonds exposed ('sposed, 'sposed)  
Feelin good, crawlin slow  
I got my diamonds exposed ('sposed, 'sposed)  
Feelin good, crawlin slow  
Y'all know I'm in the hood gettin cheddar  
Floatin just like a feather  
Sittin up on propellers  
Heeey, I got my diamonds exposed ('sposed, 'sposed)  
Feelin good, crawlin slow  
I got my diamonds exposed ('sposed, 'sposed)  
Feelin good, crawlin slow  
Y'all know I got to flo-ss

*[Outro - Chamillionaire - talking]*

My new album will drop fourth quarter  
December, y'all look out for that man  
I promise, I promise, I'm in the zone
