[Chorus]

Show a big tyma love
When you see me riddin' dubs
Platinum chain diamond up but
Please don't stare at us!
What it do I see you peepin' me I'm peepin' you
Find a better thang to do and
Please dont't stare at us!
Sittin crooked on tha chrome
Wit a throwed yellowbone
I'm wit her and you alone
Please don't stare at us!
Ice tray on my teeth
Deep freeze around my neck
Betta getcha mind correct and
Please don't stare at us

[Verse]

When it comes to ridin chrome, we some veteran pros
matter fact I'm livin larger than David Letterman's nose

don't play stupid and act like I never said it before
I'd rather chase a set of them voge's Instead of them
hoes

Whoa kimosabi find me in a denali
or hoppin out the impali if I'm sweatin' it's probably
Not the damn sun it's this heater strapped to my body
Whoa kimosabi think I'm bluffin then try me
mirror, mirror on the wall I'm watchin all of ya'll
So I can see who's plottin on me when my twankies
crawl

while you starin at us dawg that boy Lew Hawk is not
the type to let some drama pop and just sit back and
watch

Niggas just sit back and watch while we sit back in
drops

Haters see mo red dots than a kid wit chicken pox
If you want it, it's whatever you haters need to go get a
Life we cheddass getters for 2k1 and forever! whoa
kimosabi

getcha done brain corrected when you see a color
changin

necklace you betta respect it
UH
