I turned on her favorite song  
I knew that would turn you on  
Now she sayin she gon do what I want  
She say she wana wake up with me in the mornin'  
She took two shots of Patronnnn  
Shots of Patronnnnnnnnn  
Now she gone and you knowin that it's onn  
But this the type of love that just last for the moment...  
She be super freaky everytime she see the cash come  
out  
Every vehicle gon have a spot  
Twenty sixes got me floatin like a astronaut  
Lookin at my watch I don't want the hand to pass the  
dot  
Money got to be the only thing I'm runnin by  
Chasin at a lot but I'm fast so I ain't runnin out  
Picture perfect girl it's time two get yo camera out  
You can see the D in HD like the magnavox, baby doll  
Swear to y'all that I got sexy tho  
If I pull a stack and it don't turn you on jus lemme kno  
Lemme know while I turn the deck to numba four  
Couple numbers mo you gon be ready go  
My destiny is to keep two chicks next to me like Kelly  
I mean that chick from H-Town that had that hit with  
Nelly  
Candy paint slick as the new bottle of KY Jelly  
I'm lookin for another jam that I can play like Felly  
It seems like your ready to figure out a maneuver  
It seems like I'm ready to figure out somethin newer  
I betcha you love how I do ya I show her plus I'm  
approve her  
I'm tryna do somethin to do her like I don't need no  
approval  
You a hot girl if not girl don't be touchin my gwocok girl  
Every female squirrel tryna get a nutt in my world  
And this is my world so sit back and relax  
And let the four fifteens soothe yo back back bm such a  
mack  
I turned on her favorite song  
I knew that would turn you on  
Now she sayin she gon do what I want

She say she wana wake up with me in the mornin'  
She took two shots of Patronnnn  
Shots of Patronnnnnnnnn  
Now she gone and you knowin that it's onn  
But this the type of love that just last for the moment..  
She checkin out my whip, she checkin in the W  
Checkin out a flick and she jammin that because of you  
Checkin to see if our man thats gona get you in trouble  
who  
I show you some love but I love if you come with two  
Come with two when you know yo boy got cha  
Parmesean pasta pourin on hot stuff  
Tellin me how his D game trash like oscar  
Knowin that my D gona put her to sleep like boxer  
Sugar ray hook a lay right below yo belt  
M&M's is known to melt you can't even control yourself  
Lookin round grabbin pillows reachin for some help  
I could never lay my D down it's gon break the scale  
Yeah playboy bunny got me energized  
Energized I ain't gona need many tries  
But I bet you gon reach the clouds many times  
Climax then I go back to gettin money right..  
I turned on her favorite song  
I knew that would turn you on  
Now she sayin she gon do what I want  
She say she wana wake up with me in the mornin'  
She took two shots of Patronnnn  
Shots of Patronnnnnnnnn  
Now she gone and you knowin that it's onn  
But this the type of love that just last for the moment..
