[Chorus]

I wanna show all my haters love
This song for you
If you acting like me and I was in your shoes
I'd probably hate on me too
See when you gettin big chash stacks
All the haters hate that
Cuz they hate to see you to be successful
I wanna show all my haters love
So I'd wave to you like
Good Mornin
Ha- ha- ha- ha- haters
Good Mornin
Ha- ha- ha- ha- haters

Good Morning

[Verse 1]

Yea today gonna be a good day, i'm feeling like im ice
cube
I'm waking up like can't nobody mess up my mood
Knowin i'm a boss, imma do what I choose
If I was you then I would probably hate on me too
If it's true that money is time then watch this
I aint tryin to run out, time so I purchased some
watches
Yall sick, the chips got da haters nauseous
They chicks jumpin in my whip like a mosh pit
I wish I could be infected by any hate
But I can't cuz I just get infected by the bank
It's great to never know the feelin of beein fake
I awake, then I go take a visit to the sink
Ugh, dirty money got me sanitizing my hands
Lord knows what the previous owner did with these
grands
Yea I aint sayin it just to brag
I say it so you can be motivated to gettin cash

[Chorus]

I wanna show all my haters love
This song for you
If you acting like me and I was in your shoes
I'd probably hate on me too
See when you gettin big chash stacks
All the haters hate that
Cuz they hate to see you to be successful
I wanna show all my haters love

So I'd wave to you like
Good Mornin
Ha- ha- ha- ha- haters
Good Mornin
Ha- ha- ha- ha- haters

Good Morning

[Verse 2]

Look success is a woman that I always had dreams of
sexen
If wanting her is a crime, then just take me in for
possession
Even in a recession, im leavin a good impression
Reflection on the rims, so they can see they
expressions
I'm busy man, you need to schedule an appointment
Haters on they job, and they act like they enjoy it
Wake up in the mornin, and hop into my foreign
Walk into the bank, and just like a house warming
Hey, we get the money by the minute
They said we couldnt do it
But we already did it
I'm fresh outfitted, and my benz got getted
Cuz I get get get it and you did did didnt
And I admit it, im really bout to show you how I do
If you know you a hater, then this is dedicated to you
You hatin my last move i'm way on my next move
See they hate to see you to be successful

[Chorus]

I wanna show all my haters love
This song for you
If you acting like me and I was in your shoes
I'd probably hate on me too
See when you gettin big chash stacks
All the haters hate that
Cuz they hate to see you to be successful
I wanna show all my haters love
So I'd wave to you like

Good Mornin
Ha- ha- ha- ha- haters
Good Mornin
Ha- ha- ha- ha- haters
Good Mornin
Ha- ha- ha- ha- haters
Good Mornin
Ha- ha- ha- ha- haters

Good Morning
