And Baby All I know is Im on 4's
And this candy over silver is sprayed on all my doors
These broad steady tellin me my cars so throwd
But my partna hopped right out and picked the broad I
chose (HUH)
Beat up in the slab TV Screen steady fallin (HUH)
Lookin for some chicks And big banistick to get
involved in (HUH)
Used to be on 4's had them swangers steady crawlin'
(FO REAL)
Used to hit that cappa and that classic in New Orleans.

I took the du-rag off the braidz
But I can't see a thang
Sun is out but it look dark in my new set of Sacci
shades
Boys wonderin and tryna count what I done made
Cuz my pocket's looking pudgy And My Jordans looking
suade
Darling I'm afraid that something isn't right
She keep saying that I'm cool But she keep saying that
she a dyke
How do I persuade tha broad that take the pipe
Tell her get off my swangas and get plummed in yo life

Wannabes throwin ones tryin to show that they makin'
cash
Lookin' stupid than a motha our dough will erase ya
tabs
Cuz the vehicles and jewelrey we got is way more
advance
Theres more colors in a watch than a set of jamaican
flags
Pick it all up in bags the promoters like make it fast
Cuz here comes another monsoon and these boys dont
make it last
Ya'll hit the club tryna act like you poppin tags
Hit the club and get new clothes and you know you gon
take it back
I'm the fly rise owner aint no need to take the cab
Cuz the key aint nothing to me i got carson just take the
slab
Say you doin it bigger its tripple so it cant last
Cuz i've ran into way more numbers than students can
do in math
40 large in my pocket is causing my pants to sag
Still in love with my money like i used to say in the past
Who can do it better is a question they hate to ask
Walk right out ya conversation and hope it make ya
mad
