"Guess Who's Back (Intro)"

[sound of a door creaking open and closing]

[Female voice:] Chamillitary mayne

[Break - Bun B Sample - 4X]

No, no other bullet duck or get shoved
Inside this game they better buck us
Cause the cluckers they love us

No, no
No, no
No, no
Other, no, no, no
Other, no

[Break - Bun B Sample - 2X]

No, no other bullet duck or get shoved
Inside this game they better buck us
Cause the cluckers they love us

[female voice harmonizing]

[Chamillionaire]

Chamillitary mayne

[Chorus - Chamillionaire]

No need to worry, I already got my "Revenge"
Now that it's after the win, my platinum plaques are my
friends (revenge, revenge ...)
You know who's back to bootleggin again
But I got paper to spend, so that's gonna come to a end
(woo! woo! ...)
I'ma gonna show 'em how to attack with a pen
I'll get my victory win, I show it happened again
Because I'm back
Yes (hold up, hold up) *[woman's voice screaming]*
That's right I'm back
(Chamillitary mayne)
It's the Mixtape Mivasa (he's back!)
(Cheah), Chamillitary mayne

[Verse 1 - Chamillionaire]

Yeah, and I went from platinum out rap 'em
Yeah they thought that that couldn't happen
On the way to the bank, yeah I'm laughin
See the hook's gonna hook 'em like grapplin
Many folks try to dap 'em, but Koopa got what ya lackin
When I come back I'm attackin, that means your future
will blacken
Rap is conceited, but Ken is the only famous to us
Better put it in your face, so you taste the "Flavor of
Love"
Rappers cartoons trust me, these dudes ain't slingin
them dubs
(No, no, no, no, no, no, no, no, no, no, no, no, no)
You got Viagra for bullets, act like your anxious to butt
But you ain't gangsta enough, respect my paper I'm
tellin ya
Pockets green as a vegetable, wallet sure lookin edible
Put a 1 then a 0 comma 0, a 0 with no decimal
Throw 'bout 4 more 0's, then you know my dough is
incredible (yeah)
You might think your the greatest rapper of all-time
But I just think your the greatest rapper in your mind
(No, no, no, no, no, no, other, no, no, no, no, other)
Especially cause your time, don't look like it's on grind
Your music is guarded like Muslims do to a pork rind
Maybe it's cause I think too much, but each decision's
the sure kind
If I think that I hurt you, you'll be the one with the sore
mind
I schedule a beat down and adjust it to your time
Tonight, like the first words on Jay Leno's door sign
(haha)
My accountant says that my paper's as huge as a
mountain *[cash register sounds]*
The bank tells me this how my deposits usually soundin
(No, no, no, no, no, no, other, no, no, no, no, other)
Company that was bootleggin me, says they movin my
thousands
That's as false as 50 executive producing my album
(oh)
That's as false as magazine writers that said that I fall
(uh huh)
That's as false as me beefin with Slim or Trae, they my
dogs (dogs)
That's as false as me still havin a problem with Paul
(naw)
I'm a problem, but the other problem that I have is y'all
I'ma let y'all talk while I aim at the industry and bang it
But this ain't no "True Hollywood" or no "E!"

Entertainment"

(No, no, no, no, no, no, other, no, no, no, no, other, no)

A, B, C, D, take out the A and the name is

The name of the boot L-E-Ggers, they wanna be
nameless

I'm the king of the mixtape scene, so they call me your
Highness

Why you think that they call me that? My debut was the
highest

of hot, hot enough to light up the sky, so get used to
the lighters

Spread like wildfires so you should get used to the
fires

They some liars (liars) told me that Chamillionaire will
be goneee

But it's obvious that the reaper didn't write it in stone
(No, no, no, no, no, no, other, no, no, no, no, other, no)
Resurrected, then I guess that they couldn't bury his
bones (my bones)

I'ma stay on point like eyes starin at the top of a cone

[Chorus - Chamillionaire]

No need to worry, I already got my "Revenge"

Now that it's after the win, my platinum plaques are my
friends (cheah)

You know who's back to bootleggin again

But I got paper to spend, so that's gonna come to a end

I'ma gonna show 'em how to attack with a pen

I'll get my victory win, I show it happened again

Because I'm back (haha, I'm back)

That's right I'm back (cheah)

(Chamillitary mayne) *[sounds of fireworks]*

Know what I'm talkin 'bout?

He's back! (Murderers)

[Outro - Chamillionaire - talking]

Came a long way since all the awards and all the
plaques

But I had to come back

This time it ain't about a stack, it's about facts

Know what I'm talkin about?

Mixtape Messiah Part 2, I know y'all been waitin

I know a lot of y'all been hatin

But it's all good

(No, no, no, no, no, no, other, no, no, no, no, other, no)

I came a long way since them old Swishahouse
freestyles

And when I go, you can believe I'ma be a legend
and you can bet that

[Sound of a gunshot and a body hitting the floor]
