[Talking]

Fuck Action 37 And A Half

[Chamillionaire Talking]

Im Gonne Be Totally Honest Wit You Right Now. I Think
You Know What You Need To Do.
Yeah, You Need To Go Back To Him

[Chamillionaire]

Hey Its True That Chamillitarys A King, And A King Is
Supposed To Marry A Queen
But You Still Playin On Various Teams, Sexin With Me
While You Wearin His Ring
More Youre With Me, The Better It Seems
I Lift Up Your Spirits, You Sharin Your Dreams
Comin That House, He Be Cursin You Out
Gets Full Of That Lean, And Very Obscene
This Team Or That Team, Pick A Team Theres No In
Between
But You Wanna Play With Mr. King, Dont Wanna Go Back
To Mr. Clean
Leave All The Fussin And Fightin At Home, We Under
The Covers We Stuck In The Zone
Aint Gotta Worry Bout Nuthin We Grown, Hair Gettin
Pulled Like Its Stuck In A Comb
I Aint Gotta Chase To Get It, You Clutchin The Pillow
Your Face Is In It

I Discipline You Like A Principal, Look At Your Legs They
Stay Suspended
Up In The Air Im Touchin You (Yeah), Youre Gettin
Excited And Rough Wit A (Playa)
On Top Of My Lap While Im Up In A Chair, Instead Of At
Home Stuck With A Square
Find Out Feelings Gonna Get Hurt, But Ima Keep It Trill
Cause Koopa Aint Tryin To Lock Your Girl Down, No
Famillys Over Here
Who In The Hell Was Able To Tell Her Man She Was
With Camill

Vehicle Tinted Up In My Windows Up To Match Candy
Over Seal
I Dont Have To Pretend, I Have To Spend On Platinum
To Match My Grill
Just Take The Trojan Out The Package, Then (Get Your
Back) Then I Rap My Skin
(When You Want A Good Time) You Ask For Me, Want
Stress On Yo Mind You Ask For Him
Its After 10 I Snatch You In, You Tellin Me You Wanna
Get Waxed Again
After That You Go Back To Him, The Truth You Never
Expect To Show
Sex Was Strong Your Stress Is Low, Think Hell Never
Detect The Glow
(He Shoulda Been A Detective Though), You Thinkin He
Aint Gon Never Know
But He Knew As Soon As You Step In The Door, You
Came Back Smellin Like Sex And Mo
He Gon Let You Go
