G'yeah, Big Gem uh Play-N-Skillz

Chamillionaire you know I'm saying, let's ride

[Hook - 2x]

Come with me, hey lady won't you ride with me

Cause it's about that time, we about to ride tonight

La-da-da-da-da-da

[Big Gem]

I see you watching mami, you keep on passing by me

I see you sticking out your ass, showing off your body

I see who's hand you holding, he brought you to my

show and

Wink at me one more time, and I'ma snatch you from

him

I ain't fucking around, I'm only in your town

I don't know, for about three more hours

So let the bottles pop, Crystal...naw

Henny on the rocks now, you know how I do it brah

We buy the bars out, thugged out blinged out

Every chickenhead, know what we be about

Now here she come again, but without a friend

I told you I would snatch you up, listen to what I said

[Hook - 2x]

[Big Gem]

What you wanna do, head to the room

Or you wanna chill, with a playa like me

Got the limo outside, we running out of time

Come on shorty, take a ride with me

I got ya where I want ya, you where you wanna be

You say your man's a square, and he can't give you  
what you need

I put a thousand on it, you a stone cold freak

You ain't an Aquarius, your ass ain't no Aries

A dime piece Pisces, maybe

You're a gorgeous Taurus, I don't know come closer  
girl

See I'm a Gemini, both sides to your right

Compatible, offer the best with the freaky type  
So let the sparks fly, bring more liquor out  
Or you a Scorpio, your ass finna get dug out  
See I ain't playing with ya, Big Gem gon give it to ya  
It's what you waiting on, Koopa talk to 'em now

[Chamillionaire]

Now all my Pisces, Libras and Geminis let's ride, yeah-  
yeah

All my Scorpio, Virgos and Capricorns it's time, yeah-  
yeah

All my Cancer, Taurus, Neos and my Sag-i-tarious

All my Aries and Aquarius girls let's ride, yeah-yeah

[Hook - 2x]
