(feat. Slick Rick)

[Intro:]

Go, Go, Go, Go, Go, Go  
Keep runnin' homie  
Go, Go, Go, Go, Go, Go  
They on the trail  
Go, Go, Go, Go, Go, Go  
Keep runnin' homie  
Go, Go, Go, Go, Go, Go  
They on the trail

[Chorus:]

With so much drama in the industry  
Hip Hop Police are listening  
Be careful or you'll be history  
Looks like another unsolved mystery  
It's murda, murda, murda  
Ah it's murda, murda, murda  
Yeah it's murda, murda, murda  
Somebody tell em it's murda  
Murder was the case and they blamed me

[Verse 1 - Chamillionaire:]

Officer I didn't do it, you can't blame me for this  
Could you please loosen up the handcuffs on my wrists?  
You can call me what you wanna but maybe I ain't a snitch  
No cooperation is exactly what you would get  
Til I talk til my lawyer, you get no reply  
You've obviously been watching too much CSI  
I'm not a crash dummy so don't even try  
To talk your dirty trash to me, no BFI  
If you are not guilty of anything, then why did you run?  
Cause you the police and plus I saw you cocking your gun  
And the chamber wasn't empty, it was obviously one  
If you think I'm believing that one, your obviously dumb  
Huh? I know that you heard the sirens, you dived in  
To the vehicle you was driving and ridin  
And you shouldn't be whining about abidin

By the law, nah it's obvious your lying

[Chorus:]

With so much drama in the industry  
Hip Hop Police are listening  
Be careful or you'll be history  
Looks like another unsolved mystery  
It's murda, murda, murda  
Ah it's murda, murda, murda  
Yeah it's murda, murda murda  
Somebody tell em it's murda  
Murder was the case and they blamed me

[Verse 2 - Chamillionaire:]

Stop lying to me boy, it'd be best you confess  
I can smell the BS on the scent of your breath  
Saw the meth while I was inspecting your deck  
Saw that you was ridin dirty when I looked at the rest  
Who is this guy Busta? Who is this guy Snoop?  
Who is his other friend who's wearing the sky blue?  
Look at this pic here, he standing beside you  
Tell me his name now, I heard he was piru  
Confiscated the CD's at one of your homes  
For evidence ever since we heard some of your songs

What about this Pimp guy, he was on one of your songs  
I coulda sworn he said he had a pocket full of stones  
Am I wrong? Hell yeah, I don't know who that is  
I don't know no Pimp C, all I know is I'm rich  
And I'ma Bond like James, bet I be out here quick  
Man You ain't getting out of here, you must think that  
your slick  
In the car we confiscated The Chronic and The Clipse  
Diary that you had and all your Blueprints  
On the Death Row booklet, we found your two prints  
Your thumb and your index, the judge will love this)

[Chorus:]

With so much drama in the industry  
Hip Hop Police are listening  
Be careful or you'll be history  
Looks like another unsolved mystery  
It's murda (It's a bloody murder)  
Ah it's murda (It's a bloody murder)  
Yeah it's murda (It's a bloody murder)  
Somebody tell 'em it's murda  
Murder was the case and they blamed me

[Verse 3 - Chamillionaire/Slick Rick:]

And you can see your screwed as the evidence pours in  
The witness to the crime was at 3 in the morning

Gave us a description so we picked up your boy and  
You'll get a lighter sentence if you put the crime on him  
A big celebrity, a case we long for  
You a pirate, Why you got that eyepatch on for?  
Funny Puttin people in a hurse what I heard for  
Where were you the night of April 21st son?  
Home, I think that you got your facts wrong, gats on  
you  
Chamillionaire, Rob shot Couple cats on Melview  
What? We gonna have to jail you too  
In the line-up, don't speak until we tell you to  
This the person who jimmed your lock, sir?  
Well he's dark, Kinda looked like him, I'm not sure  
Fail into nail cause a cell it's another?  
Leave, I see an unmarked tail in the glover?  
Hit the Bodega, not no more game  
This chick used to be all nice, acting all strange  
Like she was gonna get it, pathetic  
I sell in court now they all apologetic

[Chorus:]

With so much drama in the industry  
Hip Hop Police are listening  
Be careful or you'll be history  
Looks like another unsolved mystery  
It's murda, murda, murda  
Ah it's murda, murda, murda  
Yeah it's murda, murda murda  
Somebody tell em it's murda  
Murder was the case and they blamed me
