### "How We Do It"

*[Intro - Chamillionaire - talking]*

Chamillionaire.com

It's the Mixtape Don

Hold up Ric

We got to take 'em back, know what I'm talkin 'bout?

Yeah, y'all know the number 832-514-4730

That's the line man, y'all hit me and let me know what go down

Know what I'm talkin 'bout? Yeah

*[Verse 1 - Chamillionaire]*

Verses so thoed, so the records got sold

22 years old with a mouth full of gold

We in Cleveland on the road, seem like everybody knows

That if you work hard enough, the truth'll expose

Got in beef with Mike Jones, dropped a lot of beef songs

Then the day I got grown and made peace with Mike Jones

In Texas seem like everybody hustlin to keep the lights on

Well cut the mic on

Mayne, had some tension with Paul 'cause that used to be my dog

And it seem like everybody else was tryin to get the ball

But they be said naw, that's the day we impressed

I guess I had to learn to get my own, am I "Correct"?

Now with checks on my desk and my jewelry lookin fresh

And when it come to success, bet nobody can contest

Get love in your city, you'll get hate in your own city too

You know it's all cool, man

*[Verse 2 - Chamillionaire]*

Freestyle got better, jump shot got worse

So was basketball last and makin rap cash first

Doin rap concerts, that's what I call work

And soon as I hit the turf, the white girls go berserk

Really I ain't never had a whole lot of family

I had to go adopt a VMA and then a Grammy  
Talkin to a person that ain't never met a granny  
It's lonely at the top, you understand me?  
But I still keep it movin, keep the money comin fast  
They say the big challenge is to get the dough to mass  
Savin money in my stash, movin like the Flash  
But it seem the day is longer than the neck on a giraffe  
Got Cokes in the cooler, headed to the Kappa Beach  
Boys callin for a ride, why you actin like a leech?  
1's on my feet, brand new chain and the piece  
Every other stop sign I'm takin pictures with a freak,  
hold up

*[Outro - Chamillionaire - talking]*

I'm-I'm-I'm-I'm-I'm the realest

I'm-I'm-I'm-I'm-I'm-I'm-I'm-I'm-I'm-I'm the realest

I'm-I'm-I'm-I'm-I'm-I'm-I'm-I'm-I'm-I'm the realest eva
