[Chorus - Rasaan]

Ehh-Ehh, I be comin' down

Uh-Ey (Uh-Ey), I be comin' down

Ehh-Ehh (Uh-Yeah), I be comin' down

Ehh-Ehh, I be comin' down

Ehh-Ehh, I be comin' down

I be comin' down, (1 for the 44) I be comin' down (2 for the Northside)

Ehh-Eww I be comin' down

[Verse: Rasaan]

Excuse me, polo when I be dressed

Rose gold around my neck, fingers throwin' up my set

ehh-ehh

Pourin' up the cut, open up the trunk

Strip out the inside man, I'm showin' up on buck

(Aoww!)

I'm so cool, the paint so wet

Chrome women on my hood look like she divin' in a pool

I be ridin' with the tool, I be draped in diamond jewels

When it's drama I'ma dummy, look don't make me turn to fool

Them other boys cool, but they ain't me

I'm the throwdest rhyme boy that ya eyes gon' see

Uh, My chain look like a box of cereal

Lucky Charms on my arms look like some frosted material

Yeah..I want 300 M

You want the kind you sit in, I want the kind you spend in

Paint changin' blendin', rims swangin' spinnin'

til' them thangs is bendin', leavin' stains and drippin'

I be comin' down, boys say what does that mean

But they soon get the picture when they see them TV screens

..These boys ain't messin' with the flow

Nigga, I'm the issh, like you messed up on the floor

Ha, you know the flow is so professional

Cham' is the next to go, that means that I'm the next to blow!

Before this, we been dressin' 24's  
We put buttons on our rims, when we steppin' out the  
door

[Chorus - Rasaan]

Ehh-Ehh, I be comin' down

I be comin' down

Ehh-Eww (Uh-Yeah), I be comin' down

Ehh-Ehh, I be comin' down

Ehh-Ehh, I be comin' down

I be comin' down, I be comin' down

Ehh-Eww I be comin' down
