[DJ Screw: "It's Goin' Down"]

[Chorus - Chamillionaire] (DJ Screw)

Last night I had a dream, the north and south had no
mo' plex

And Houston was the place to be

(It's Goin' Down), standin' taller then the rest

A dream and memory (It's Goin' Down), of DJ Screw
gotta show respect

So put ya lighters in the sky with me

(It's Goin' Down), R.I.P. this is what was said

[Verse]

I had a dream I said, "about who", the god said

Dirty south went nationwide 'cause of DJ Screw, I said

"Is that true"?, the god said, yeah it's true I get

to do flows, and wreck show 'cause of DJ Screw I'm fed

But don't be mislead, you the reason we get bread

Please tell him when I get to heaven, it's gon' be
respect

He the reason we get checks, ain't gotta be in debt

Ya music helped alot of southern families to get fed

They won't say what I just said (why?), 'cause some of
these guys scared (oh)

Just tryin' to acknowledge and put it in these guys
heads

I see, I said, "then deed", god said

That he glad that the north and southside E.O.E X'd it

I agree, I said, R.I.P., I said

Rest In Peace to the legend Screw and P.A.T. I said

Swear I still jam ya music, I won't let no one abuse it

Can't do it, another's foolish if he think that he the
truest

'cause you was the first to screw it, you rule it but I'm
student

I'm new at the stuff ya started, but I'll do it until I'm
through it

Life after I loose it, go have a talk with the streets

And they gon' tell ya that I respected the game, Rest In
Peace

[Chorus - Chamillionaire] (DJ Screw)
