## "Judge Judy"

They won't let me out  
I'm locked up, they won't let me out  
Locked up, they won't let me out [x2]  
Ay, ay, ay, just let me out [x4]

Uh  
Gettin' paper's my duty, gettin' paper's my duty  
The police pull me over to me to jail in the tooly  
When the law ask me why? I said my life is a movie  
Will Smith wanted happiness, haters try'na pursuit me  
Then I bumped into Judy, yeah I bumped into Judy  
I ain't F-ing with apples, most of these rappers is fruity  
Yeah, ya'll honer the industry, it's try'na pollute me  
I just bumped into Oprah and want to feel on her booty  
I just want a lil peace, that won't give me the cutties  
Got a father with money, like Vanessa and Rudy  
(Huxtable)  
I'm the type to get moody if you don't like it then sue  
me  
Naw don't sue me, cause really I had enough of that  
truly  
You dis chick she was boogie she really think she a  
cutie  
She be puffin at night, getting higher than cooly  
Bags looking like Gucci, cars smelling like? gucci?  
I don't wanna say her name so let's just call it Suzy  
Try'na act like she knew me, try'na act like she knew  
me  
Try'na friend me on Myspace like how come you wanna  
prove me  
She be lying a lot, people say she a groupie  
She had told me she got a lot in the grease like Judy  
So the judge looked at me, and the judge said to me  
"Your a slick-tongue rapper, your rap could never could  
fool me"  
Then she gave me my sinners like I had spoke to a ruly  
She said "I'm goin give you LIFE, if you don't come here  
and do me! "  
What? !
