[Chamillionaire]

-Uh, Koopa, Look, Look, Uh

Call me after the party, 'cause after the party

I'm leavin' wit all of the ladies and that's half of the party

And speakin of after..I'ma walkin' after shock

'cause women pass out in from shock when they see me pass in the drop

But speakin of shock..how come she calls me silkk the shocker

When I drop my silk boxers, oooh and shocked her

Ladies come to poppa

Then come for poppa

When I come in the droppa

She'll come in her boxers

If they come to the hotel, then they come to knock us

Reason she comin' home is 'cause I, come to drop her off the boss, if she showin' naked gotta respect it

Operator Noise This number is disconnected, look

That's what you be hearin' every time that you call her up

'cause she don't want you no more nigga, she wanna baller what?

Ladies if you want the Color Changin' Lizard to pay you a visit

When you lonely just holler out "Here Lizard, Lizard, Lizard"

If ya mans a asshole, I'll creep in the back door

With the latex, some whip cream, and a damn lasso

"A lasso? Chamillion please tell me what that's for?"

To tie ya man up..while he watch me spank it from the back, whoa!

"Chamillionaire, I feel em' man, that boy's a damn villian

That boy chrome be spinnin' like a fan on the damn ceiling"

Spray ya mind, 'tre in the 9, make em' all stay in line

That call me "This little light of mine", because I shine

I know I talk alot of noise but I promise I'm not conceited

Psyche - I spit my worst rap, it ain't a nigga can beat it

Raise my trunk turn on the neon's so a nigga can be it
If you don't like me, lick the dick on a stick nigga and
eat it
Blunted and weeded, 'cause ? to me I don't need it
Defeated this game fair and square niggas is sayin' I
cheated
But why? I'm not a nice guy
I'ma creep in the night guy
With a nice sized choppa, because a nigga might try
Abra-Cadabra, niggas gon' be mad, after da kappa
Ya girl is like a piece of cake 'cause if I want her I'll
have her
If I'm not 20 off the..ground and 3 from the curb
I'm 5-0-4 in a flag-ship but please don't not disturb
