"Let's Get It"

(feat. Rasaq)

[Rasaq]

Chamillitary Mayne

Boys know how we do it our city y'knahmsayin

I feel like my city on the map, I feel like all is eyes on us

Yeah you heard of Texas y'knahmsayin

But I feel like I need to introduce myself properly

Haha, you ready? It's Rasaq boy

I see these niggas in the club tryna look like they floss
(like they floss)

With their fake diamonds on tryna look like they cost
(like they coast)

Diamonds shinin hard when you look in my jaws

All my stars is dimes when you look at my broads (at
my broads)

I'm sittin on swine when you look in my car

But you lookin real hard, stop lookin retard

I'm sittin on chrome, poking out like silicone

On a porn star broad like the doctor hit her wrong (hit
her wrong)

You can't believe it, I'm talkin like I'm conceited

The swagger that I be havin, a lotta you niggas need it

I'm on the block, finna bleed it, I'll pop a shottie if I'm
heated

The game is gettin hungry so nigga I'm finna feed it
(finna feed it)

You can't compete us, the niggas that's undefeated

The niggas that's gettin treated like money is gettin
weeded (what's that?)

That's high bank account with a blank amount

That's money you can't account, now that's somethin to
think about (think about)

Catch me in the slab listenin to Al Green

Creepin and prowling, I slam it like Yao Ming (Yao Ming)

Boys talkin hard like they got bling bling

But check my one-two's cause they go BING! BING! (it's
over nigga)

It's lights out, knock you out when the fight's out

I heard you tryna clown, dumb nigga lie down

I here these boys talkin, they ain't better than us
So yeah close your mouth cause you embarrassin us

Yeeeeeeaaaah, I feel this my year
Diamonds lookin clear, can't you see me standin here?
Yeeeeeeaaaah, I never fall off
Hop in the slab and watch me crawl off
Yeeeeeeaaaah, my city on the map
Player give me that, man you can't hate that
Whoooooooooa, I'm holdin the grain
Texas boy swang and stay throwed in the game
