

## Chamillionaire "Make A Movie"

Visit "[Make A Movie](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Lloyd + Chamillionaire]

It's time to make a movie, It's time to make a movie.

Yeaaaah.

Oh yeah.

Young Lloyd, Twista. Let's get it.

Girl you hypnotize me, love the way you move it,

Sit back like a playa while you doin' what you doin',

Whisper in my ear tellin' me how she gon' do me,

Oh I think she likes me so it's time to make a movie.

Time to make a, ah ah, time to make a movie,

Time to make a, oh yeah, it's time to make a movie.

Time to make a, ah ah, time to make a movie,

Oh I think she likes me so it's time to make a movie.

[Chamillionaire]

Let's get it.

You know what it is homegirl let's get it.

Your little boyfriend ain't ever know that we did it.

Gotta homegirl let me know if she with it,

Two girls, one bed let me know and we'll split it quit it.

Tell me how he finna know, way too much bread no  
keibler tho.

When I see money I speed to the dough,

If it ain't no dough I speed to the door.

Where she gonna go, stick to the script get used to my  
plot,

Making it wet no use for a prop,

I'll make you regret not using a mop.

Boost to your stock, you looking hot,

So I bet that we gon Tom Cruise to the top,

I could turn rows 8 down to the south,

And I love how your mouth never losing a drop.

Ey, you could have it girl,

Not an amateur, I could manage ya,

Candy car looking bluer than an avatar,

I'll help you get your groove back like Angela.

I could handle her, show her I'm the best,

An Academy Award yea the Oscars next,

If Trey Songz telling you that he invented sex,

I guess you can say that I invented checks.

[Chorus - Lloyd + Chamillionaire]

Girl you hypnotize me, love the way you move it,  
Sit back like a playa while you doin' what you doin',  
Whisper in my ear tellin' me how she gon' do me,  
Oh I think she likes me so it's time to make a movie.  
Time to make a, ah ah, time to make a movie,  
Time to make a, oh yeah, it's time to make a movie.  
Time to make a, ah ah, time to make a movie,  
Oh I think she likes me so it's time to make a movie.

[Twista]

What's up lil mama, come and meet with your  
manager,  
Be your photographer, you be the one ima take a  
picture of,  
You could be on my cinema, then ima get you whatever  
you want,  
Then ima do anything to get your love,  
Hit it from the back and hit it from the front,  
And ima look in the camera so I could let em know it's  
me up in it,  
When I'm filmin', I'll be ready, next triple,  
'Cause I circle your nipples and every movie you gon be  
up in it.  
We be out in the public you could be classy but we get  
some privacy baby,  
You can be my porn star, keep the lights on,  
'Cause I wanna see it, it's better for shootin',  
And how you be lookin' I see you goin' far,  
I said blow me a kiss, you blow it right back,  
Openin' up your legs now you on the right track,

Let me aim the camera down while you wipe that,  
Lookin' freaky up at the lens, do you like that?  
That, that. The way I be workin' your body like I be  
working the pictures in the portfolio,  
I don't know if it was a face, it was a hair, it was an ass,  
that made me want to put you up in the video.  
Give it to Twista with the Chamillionaire,  
Murder in the booth when I smoke a philly in there  
I'll be the director come gimme a chair,  
Star quality I'll see you when I'm a trillionaire.

[Chorus - Lloyd + Chamillionaire]

Girl you hypnotize me, love the way you move it,  
Sit back like a playa while you doin' what you doin',  
Whisper in my ear tellin' me how she gon' do me,  
Oh I think she likes me so it's time to make a movie.  
Ain't no need to be nervous, we can get some room  
service,  
I can give it how you want it girl if that's okay,  
Time to make a movie, movie, time to make a movie.

Gotta tell me how you want it, you know ima be up on it  
from the night till the mornin' girl if that's okay.  
Time to make a movie, movie, time to make a movie.  
One, two, three, go. Ah, ah, ah, ah, ah, ah, ah.  
Oh, she likes me, oh. Let's get it.  
One, two, three, go. Ah, ah, ah, ah, ah, ah, ah.  
Oh, she likes me, oh.  
Let's make a movie.

[Chorus - Lloyd + Chamillionaire]

Girl you hypnotize me, love the way you move it,  
Sit back like a playa while you doin' what you doin',  
Whisper in my ear tellin' me how she gon' do me,  
Oh I think she likes me so it's time to make a movie.  
Time to make a, ah ah, time to make a movie,  
Time to make a, oh yeah, it's time to make a movie.  
Time to make a, ah ah, time to make a movie,  
Oh I think she likes me so it's time to make a movie.
