"Makes Me Stronger"

[Repeat - x3]

Stronger

[Hook - x2]

I ain't the rapper that you want to talk noise to

It only makes me stronger

Only makes me stronger, stronger, stronger

[Verse 1]

Call the police, a paramedic and a nurse

Rap might be dead, but know what makes the matter worse?

(What?) I left my masters where the dada lurks

And Universal Records probably doesn't even have a hearse

I can't lose like I have a curse

I used to love her, but now I date a badder verse

It seems like acting got a fatter purse

I'm almighty with mix tapes, you back to church

My homeboy, was always a man of turf

Cause he be interred, like the words on a mechanic shirt

I think I need to send a fan alert

Nonsense, sure to send a humble ?

I'm so cool, I jump in a pool

And everything that's in it ain't blue turn blue

Man I'm so cool, I walk into school

And numbers on the ruler tell me that I rule

Who, can make a mix tape skin

Have goosebumps if a mix tape had skin

I'm, Lennox Lewis with the left, right, left

I'm knocking out a mix tape's wind

I say whatever I want to say like Kanye

I'm calling, telling have a nice day

If hip hop is dead then I say

That i escaped Death Row like I'm Dre

Cause you're pale and I'm looking colourful

Don't lie about my mix tapes, I know you love em fool..

I know you love em fool

I had to drop part 2, that means another 2

She told me Ridin' Dirty was a hard tune
And then told me to call her at tomorrow noon
One night with me is really your doom
I'll be sticking something in it like a harpoon
18th of September on your calendar
Chamillionaire gets badderer and badderer
Chamillionaire badder than the average huh
I'm a, I'm a raw like an animal
Haha, if a man is mechanical
I'll come through and do what a real man would do
And you'll change your whole thing
Like Claire Reid sleeping in bed with Hannibal the
Cannibal

[Repeat - x3]

Stronger

[Hook - x2]
