"Money Already Made"

[Chamillionaire (speaking over chorus)]

Chamillitary Mayne! 8 Million, 9 Million, 10 Million...

(Unh) Keep Going

Yeah

Chamillitary still runnin' the game

You Know my money Already made

I go by Chamillinator, Chamillionaire

Yeah!

Mixtape Messiah pt. 3. Yeah

[Chorus 2X]

I'm Paid

I'm Paid

Money already made, Money already made.

[Verse 1]

A Suit and tie

Can't lie

I'm still in a pair of nikes

And with the rumors, don't talk cause I ain't the parrot
type

A killa villa thats in the middle of paradise

Looking like I won 10 Mill-i-on on a pair of dice (yikes)

Yikes! is the response with the visual

The groupie saw me in Pari and said it isn't you

I tried to tell 'em it was... and they said it isn't true

She said that I'm the best, well tell me something that
isn't new

No body sold a ring tone as big as you

They shock(ed) g my underground is digital

If you a groupie, and you ain't bring a friend wit you

Then I'm gon' make turn around like a pivot do

Y'all ain't ready for what I'm finsta do

You like a shadow you follow, but can't get rid of dude

Touch the necklace I bet you you will get the flu

Forget one plaque I bet you I'm gonna get a few (Whoo)

[Chorus 2X]

[speaking over chorus]

(unh) Cham is chillin'
famous chillin'
what more can I say?
Get millions...
Get millions

[Verse 2]

I'm so authentic that the word authentic jumps outta the dictionary like "I'm in love"
Keep it so real the word fake tries to hate
and jumps outta the dictionary like "you gon get beat up"
Showing naked well you already guessed what
I lift the trunk up the fifth wheel starts to blush
Looking so pretty in the car that im sitting that the car behind mine says it has a crush
They told god don't like ugly, well he told me I'm the isht
Try to hide that I'm the best but you can tell like a snitch
Money is the scent, you can smell that I'm Rich
allergic to being broke, and I don't even have an itch
Earing is bright as the top of a yellow candle
Try to grab that and get hit with the metal handle
The Best, Cause you couldn't tell me no one better can you?
My style out of this world signing off nannu nannu

[Chorus 2X]

[speaking over chorus]

Young Ro Chillin'
KJ Chillin'
What more can I say?
Get millions...
Get millions

Chamillionator gonna put the speculation to rest
Got groupies that argue about me all on the Internet
(you wanna bet?)
The work for me promote me and we ain't never met
Maybe its my confidence got me thinking like I'm the best
Like a DJ Khaled ad lib
The car salesman of lyrics, I give them as is
But no returns cause I'm selling you the whole package
And best believe you won't find another whose that sick

[Chorus 2X]

Big E chillin'
Masa is Chillin'

What more can I say?
Get millions...
Get millions
