you might catch a nigga in back of the club
wit a big ol' stack of them dubs
i'm ackin a thug
i'm gold grinnin and flashin my slugs
i got all of the dice at the bar orderin twice
but every drink is hot (why?)
'cause i'm wearin all of the ice
Im a balla for life, so lets take a ballas advice
Stop balla blockin before i put them thangs all in ya life
Nigga im larger than life, im snatchin all of ya hype
Im also snatchin ya money when im callin tha dice.
Loose every dime u got if u aint bargainin right
Hoes is callin me nice, they niggas is callin me shiest
U could call me what ya want, but jus dont call her ya
wife,
'cause your wife wouldnt be askin me to call her
tonight, ya right
I cant do it girl i only love strilla, but im not a drug
deala

im a ghetto gorilla, Im a..acres home 20 inch chrome
dub wheela
And lil' mamma wanna high kap, nigga, than forget her
Tha chamillion shove in a, never fall in love wit a
Hoodrat, nigga believe that 'cause im just a thug in a
World full of wanna be's but i gotta stay strapped
Chop, Choppin my own rap, how ya, how ya love that
The ladies know...i play wit more dough than play-

when i stay low, and i jus stack my dough up like legos
Hoes be thinkin they Destiny's Child, think im gon pay
