[O.G. Ron C - Talking]

Uh, Swishahouse

[Chorus - Chamillionaire]

(So throwed)

I swared we don' told y'all niggaz before  
You must be deaf if you think we ain't gettin' no  
With the remote screens fallin' trunk blows  
Step up in the club starched down but stay flowed  
From that North to the South Pole  
Ron C chop it up, make it slow

-Check, Look

The block gets..bled red like a leg in a ant bed  
My twanks make a crippled girl turn her damn head  
Hakim' cause a scene when I drop my screens  
Got more green then mean green sippin' a green cup  
of lean  
in a green limousine, I impress myself  
Might spit game to a nun just to test myself  
Won't pour up a fo'  
Sho' I'll throw up the fo'  
Fa'sho I'll show up to four  
And bleeh blow up the show  
Whoa!, ice bright man  
Like a night-light man  
Ice white like the head-lights on a white van

As bright as a white man

With a light tan

Ice bright as the skin on Michael Jackson's right hand,  
nigga

Goddamn ohh! I impress myself

I'm so throwed I need a catchers mit to catch myself  
How much you niggaz wanna bet you'll never get my  
wealth

I'll rather play a solo game of dice and bet myself

Whoa hold up Ron C I just done won me a G

Lucky me I'm the nigga that wannabe's wannabe

i'm tellin' ya, ohh nigga I impress myself

So many hoes on my dick I gotta stretch my belt

Nigga ya better go handcuff ya honey dip quick

My lips don' touched mo' female lips then lipstick  
My car got more butter then a bunch of biscuits  
I get chicks while you get dissed and get dismissed  
I get kissed like I was under missle toe on christmas  
Paul Wall don' got diamonds embroidered on his kicks  
Ron C is using platinum turntables for this mix  
I walk around with a chain that's bigger then slick ricks  
Warfare and lick 6 we never ride Rav 4  
Ride Ac or Jag or maybe a black ford  
Ridin' round with a gat on the damn dashboard  
Oh No!, sab war comin' in through the backdoor
