[Verse 1 - Chamillionaire - singing]

Sick of tired (sick of tired)  
Of all the fakers walkin in my life (in my life)  
I told ya once and then I told ya twice (told ya twice)  
You got to go, I'll make a sacrifice, a sacrifice (hold up)  
Dirty mind (dirty mind)  
she playin games because she know she fine (she  
know she fine)  
I said "let's play" and plus she didn't mind (didn't  
mind)  
So I just let her sip a little white wine and now she mine  
(for real)  
I can't live mine (I can't live mine)  
If I'm livin yours, then I ain't livin my life (my life)  
You will regret, I bet you'll pay the price (pay the price)  
Somebody else is tryin to try me tonight (nah), that's  
suicide (let's go)

[Chorus - Chamillionaire]

On my grind (on my grind)  
I got to stay grindin at all times  
That's even if it means a nine to five (yeah)  
That's even if it's workin overtime, stay on the grind  
(the grind)

I'm on my grind (on my grind)  
I got to stay grindin at all times  
That's even if it means a nine to five (yeah)  
That's even if it's workin overtime, I stay on the grind  
(the grind)

[Verse 2 - Chamillionaire - rapping]

Ye-yeah, yeah my rims brought me attention but my  
pension brought my tension  
'Cause my last boss said that my check what he forgot  
to mention (what?)  
That's okay, 'cause I quit (quit), Uncle Sam took half of  
it  
Told that dude to get off my dick, bought a banana  
with my split  
For my clip, loadin it up, told you the four and the four  
gettin tucked

How much more is he supposed to deduct? And the  
repo man always towin my truck  
401K, don't come with play and MPCs don't come with  
Dre  
Homie say he can get me a job but the problem is it  
don't come with pay  
Mama say "can't say nothin nice, you ain't got nothin to  
say"  
So I'd say, Mr. Bill Collector [gun cocked], be on your  
way
