Real muthafucker's, real muthafucker's (what you gon'
do?)

We some real muthafucker's, real muthafucker's, real
(what you gon' do?)

[Chamillionaire]

Koopa..

This is the day that they dreaded, they say Chamillion
don't let it

get you upset, I'm upset if you needin' peace, you can
forget it

Go tell them the villian is comin', they know I'm the
realest that run it

Color Change guerillas gon' run it, you gimmick niggaz
better punt it

Now it's too late, you don' done it, no stingy label can
rape me

Let's see how fast you reply since you thought I was
gettin' lazy

The hood don' told me you shady, but you don't know it

yet baby

They told me everything about you, even know the
name of yo lady

Ay didn't ya girl go to J.V., guess what I went there too
baby

If you thinkin' I can't expose yo ass worse then this then
you crazy

Yo own hood don't even like you, they like
Chamillionaire, it's gravy

Niggaz like Rock-A-Bye baby, cockin' .380's on the daily

Yo best bet is to obey me, ain't gotta call the hood baby

My heater heavy I feel 'bout 50 pounds more then I
weight see

feminine niggaz don't make me, since you don't make
me, can't break me

My crib \$250,000 I'm livin' in housin' in Katy

I got Surveillance in maitenance, thought you was
makin' lil statements

Showin' yo crib like you ballin' big, I was killin' em' with
patience

Them pussy niggaz can't face him, they wanna erase
him like Jason

But now they shakin' and pacing, like how the hell we
gon' face him

I can't believe that you doubted me, while you was
talkin' down on me

You ain't realize the people that you was around was all
down with me

But I won't say no names, no trace of snitchin' inside of
me

But I live by the G-Code, and you don't live by the
boundaries

-Get Him!
