(Ay, Yeah, Rasaan boy)
Look at my panky, look at my ring (ring)
Presto-Elocazine when I step on the scene (on the
scene)
That's a magic show (magic show)
watch the baguettes glow
My mouth like a garden 18 carrots in a row (in a row)
Propped on vogues 22's on top of those
Top down slow while my popped trunk glow
What them boys talkin' bout my doors aqua blue (aqua
blue)
When I park in my driveway it's a ocean front view
(front view)
When I'm on the street, 22's spin around
Call the NFL my slab bout to touchdown (down)
Grippin' on pine (pine), and with them dollars on my
mind (mind)
Platinum in my taste, nickel plate in my waistline
(waistline)
Look at my panky hoe, look at my rocks (rocks)
Diamonds cuttin' blocks (blocks) same size as a X-Box
(X-Box)

Boys try to hate but they be fake and when they speak
it's hater-ation
They too cheap to imitate him so they get the imitations
I'm demonstratin' how to get Benjamin Franklin's
And red-bones achin' for immediate penetration
Presidential paper got me past the mayor
alligator in my Navigator anaconda in my LeSabre
Second-graders chase the slab like it's a new flavor
peach-cobbler on the door while my seats vanilla wafer
(MAN!)

I'ma pull a star when I step on the scene (scene)
Teeth lookin' clean (clean), it's not listerine
guls starin' in my mouth like it's built wit' TV screens
(TV screens)
I asked Vanna White, to give my 3 V's
Vivica, VVS's, and a V-12 machine
The first ones a fox (fox)
The second ones a rock (rock)
The third is a coupe with a roof with no top (top)

Grip the steerin'-wheel with my pinky on top
It means that it's propped (propped)
propped in the air
Just so you can see it

You should catch a glimpse, nigga I'ma pimp
I got princesses' so that makes me a prince
My collar gettin' pinched, I slide on twenty inch
I iced out my ring froze off my finger-prints (MAN!)
