I can tell by the way that you peepin' me
That you havin' some thoughts about freakin' me
But if you walk up and just speak to me
And tell me what you like we'll hook up tonight, yeah

I can tell by the way that you peepin' me
That you haven't been satisfied recently
Haven't been with a P I M P like me
But if that's what you like your in luck tonight, yeah

Yeah, black dickies, black vehicle, pull up on black
dubs
Durin' that party I'm in the block pullin' them freaks for
afta
Nothin' gets a broad looser than a stack of cash does
So them rims bigger than dubs let me see how they
math was

Count them inches they peepin' as the truck get
suspended
Fellin' spendin' got a stack and I'm gone use it till its
ended
I'ma spend it on the bottle after I get bartended
I'ma walk up and choose you hope your friends don't
get offended

I'ma playa I don't dance what I gotta dance for
I just pick hoes from the bar and take 'em off the dance
floor
With a chick in the club posted up in the back of
That club got a girl but I'm actin' like a bachelor

Snach her, can't tell me that she ain't ready for the part
Lights, camera, action act like she ain't never seen a
star
Seen the corner of your eye lookin' this way at the bar
Slip you out of them cuffs 'cause yo nigga ain't on his
job

I can tell by the way that you peepin' me
That you havin' some thoughts about freakin' me
But if you walk up and just speak to me

And tell me what you like we'll hook up tonight, yeah

I can tell by the way that you peepin' me
That you haven't been satisfied recently
Haven't been with a P I M P like me
But if that's what you like your in luck tonight, yeah

In the club backin' it up im lovin what I see and a
Doin' it like it's yo B-day hopein' you back it up me way
Going my while give a 100 dollars to the DJ
So he can play that song again I see the instant replay

I can tell that you lovin' all the attention
Of the boys that's trying to snatch ya but they just keep
attendin'
'Cause you know who you really consintratin on gettin'
Yeah, you know Koopa is that playa that keep it pimpin'

I turned to look ova at you frequently
And I noticed that your still peepin' me, peepin' me
I know your ready I know your ready
I wanna roll with a playa let's go

I turned to look ova at you frequently
And I noticed that your still peepin' me, peepin' me
I know your ready I know your ready
I wanna roll with a playa let's go

I can tell by the way that you peepin' me
That you havin' some thoughts about freakin' me
But if you walk up and just speak to me
And tell me what you like we'll hook up tonight, yeah

I can tell by the way that you peepin' me
That you haven't been satisfied recently
Haven't been with a P I M P like me
But if that's what you like your in luck tonight, yeah

I can see the look in your eyes baby you wantin' it bad,
huh
Wonderin' if it's gonna be right and wonderin' what I
have for
I got that cron I got that henn I got somethin' for that
buzz
Milk does the body good but not as good as that, huh

Now that was I got you feelin' ready and ready on that
move
But before you can step to me a nigga already
approachin' you
Walkin' like she know shes cruel, while I'm picturein'

you in the nude
Ima tell her the motions cleava its whateva you want to
do

I can tell by the way you been peepin' tryin' to visit me
on the weekend
Tryin' to have that bed squeekin', squeekin'
Yeah, even a couple of friends drinkin'
Thinkin' 'bout gettin' even with a man that been cheatin'

So I sweep 'em right off their toes like a set of voes
Never seen a old school vehicle with wetta doors
She asked is she could leave with me and I should let
her go
Man I'm just too much of a playa to refuse and tell her
no

I can tell by the way that you peepin' me
That you havin' some thoughts about freakin' me
But if you walk up and just speak to me
And tell me what you like we'll hook up tonight, yeah

I can tell by the way that you peepin' me
That you haven't been satisfied recently
Haven't been with a P I M P like me
But if that's what you like your in luck tonight, yeah
